January 4, 2021

Dear Parents and Guardians,

We are so happy to announce the reopening of our classrooms to in-person learning! We are returning to in-person classroom learning on Monday, January 11th, 2021.

We are implementing all of our health and safety protocols that are in our Operational Blueprint. These include the social distancing, cleaning and hygiene issues.

To help us keep our classrooms open to in-person learning, please observe the following protocol:

Mask are **REQUIRED** to be worn by all individuals, including students in K-8. Please teach your student the proper way to wear a mask. If your child wears a reusable mask, please wash your student's mask often, we want to make sure they are breathing clean air through their mask.

If **ANYONE** in your household is showing any symptoms (such as, running nose, coughing, diarrhea, fever, vomiting), please keep your student home to insure that they have not been exposed, and will not expose their classroom, to anything contagious.

If you have any questions, please feel free to call our office:
541-258-5550.

Thank you, and we are looking forward to seeing everyone!

Sincerely,
Sand Ridge Charter School
