March 24, 2020

Dear Sand Ridge Families,

We are all reeling from what is happening right now, our world has definitely changed! With all of the changes happening, our goal is to keep things as normal and calm as possible.

We have decided, as a team, to send home weekly packets of work to every student. These packets will look like your normal homework; they will contain Saxon Math, Scholastic News reading and comprehension packet and a few extras that your teacher may include. It will also still include the 20 minutes of daily reading. Our thought is that we will try and maintain your students math and reading goals above all else, without overwhelming you or your students. Due to health concerns, the packets will not be returned to school until the students return.

We know that these packets cannot replace the level of education offered during a traditional school day, our hope is to support the educational journey you are leading at home.

Pickup for the packets will happen on Wednesday, April 1st and every Wednesday following until further notice. Pickup time will be 9am- noon and 3pm-6pm at South Main campus. If you cannot make the pickup, or would rather pickup at Sodaville campus, please contact your child's teacher via email so that we may make other arrangements.

Our teachers will be answering emails from 9-10 am and 3-4pm Monday through Friday. Any email received after the hours will be answered during the following time slot.

There are many additional resources on our website: [piecharters.k12.or.us](http://piecharters.k12.or.us) listed under EDUCATIONAL RESOURCES. Please continue to check our website often for all updates.

Please stay home and stay healthy,
