Free/Reduced Lunch Applications

If you haven't already filled out a free/reduced lunch application for this school year, and you think you might qualify, please fill one out and return it to the school.

We are asking you to do this in the event that the state will send out P-EBT cards next summer. The state sends the cards out to students that qualify for free/reduced meals.

All students receive free meals this year. Whether or not you qualify for free/reduced meals will not affect your child getting free meals this year.
