South Main Campus Notes.....

Please park your car in the morning when you drop off your student. The front of the building is a fire zone; it is not legal to stop your vehicle in that area. Stopping in that area also slows down the process of everyone else trying to park, including our staff. Please park your car and let your child walk to the front door.

The doors open for students at 7:45 am. The only students entering the building before that are staff children. Please do not allow your student to enter building before that time, as there might not be any staff in the classroom to supervise your student because classroom doors open at 7:45am.

Communication with Teachers @ Sodaville

Please do not send messages to your child's teachers through REMIND. All communication to the teacher needs to be done via email or phone.
